About Spitfire Resources

Spitfire Resources Limited (ASX Code: SPI) is an emerging Australian resource development company focused on the carbon steel materials sector. Spitfire's flagship asset is the South Woodie Woodie Manganese Project, which is located approximately 70km down-strike to the south from the 1.2Mtpa Woodie Woodie Manganese Mine in the East Pilbara region of Western Australia.

Spitfire's principal focus will remain the exploration and evaluation of manganese deposits in the East Pilbara, although it has also acquired a portfolio of prospective base metals tenure in the Northern Territory which offer the potential for future diversification.
